Privacy Policy for "Wutt – Focus on what matters"

Last Updated: March 25, 2025

1 Introduction

This Privacy Policy describes how "Wutt – Focus on what matters" Chrome extension ("we," "our," or "the Extension") handles your information. Our extension operates entirely locally on your device, meaning your data never leaves your browser. We are committed to ensuring your privacy while helping you stay focused and mindful during browsing.

2 Local-Only Operation

The Extension is designed with privacy-first principles:

- All operations occur locally on your device
- No external servers are used
- No data is collected or transmitted over the internet
- No analytics or tracking

3 Information Storage

3.1 Local Browser Storage

The Extension stores the following information exclusively in your local browser storage:

- Your purposes for opening tabs
- Reminder interval preferences
- Blacklisted website configurations
- Time-based settings for reason expiration

3.2 Data Location

All data is stored locally using Chrome's Storage API and is synchronized across your devices only if you are signed into Chrome. We do not maintain any servers or external storage systems.

4 Data Processing

4.1 Local Processing

When you input a reason for opening a tab, this information:

- Remains strictly within your browser

- Is used solely for displaying local reminders

- Is automatically deleted after your specified expiration period

- Never leaves your device

4.2 Required Permissions

The Extension requires minimal permissions to:

- Access tab URLs locally to check against your blacklist

- Modify webpage content to display reminders

- Set and manage local notification alarms

5 Privacy Guarantee

We guarantee that:

- No user data is ever transmitted to external servers

- No analytics or usage statistics are collected

- No third parties have access to your data

- All operations are performed locally on your device

6 User Rights and Control

You have complete control over your data:

- Clear all stored data through Chrome's extension settings

- Modify or delete individual entries at any time

- Control notification frequency and blacklist settings

- Uninstall the Extension to remove all associated data

7 Security

Your security is ensured through:

- Exclusively local data storage

- Chrome's built-in security features

- Zero data transmission

- Secure coding practices

8 Updates to Privacy Policy

We reserve the right to update this Privacy Policy at any time. Changes will be effective immediately upon posting to the Chrome Web Store. Continued use of the Extension after changes constitutes acceptance of the updated Privacy Policy.

9 Contact Information

For privacy-related questions or concerns, please contact us through the Chrome Web Store developer contact form.

10 Compliance

This Extension complies with:

- Chrome Web Store Developer Program Policies

- General Data Protection Regulation (GDPR)

- California Consumer Privacy Act (CCPA)

By installing and using the Extension, you acknowledge that you have read and understood this Privacy Policy.
